RE: 2015 Credit by Examination Audit

Please find attached a list of the most recent Credit by Examination (CBE) audits for 2015. There are 14 CBEs included in this audit, which represent about 20% of our active examinations. Our selections focused on recently rewritten examinations that have not been audited in the past four years.

Ellen Willoughby, Jessica Kamphaus, Julie Hildebrand, Julie Pearson, Kimberly Wassmuth, Toni Bayerl, and Melanie Sherwood, all Texas-certified instructors and highly qualified in their area of audit, performed this year's audits. None were previously affiliated with the University of Texas High School.

All changes suggested by auditors to better meet the Texas Essential Knowledge and Skills were considered and implemented in these CBEs. Ongoing dialogue occurred regularly between curriculum developers and auditors to ensure complete coverage while maintaining the integrity and rigor of the exams.

If you have any questions regarding these CBEs or our audit process, please do not hesitate to contact me at (512) 475-9641 or by email at [jberrean@austin.utexas.edu](mailto:jberrean@austin.utexas.edu).
