Dear Dr. Zyskowski,

In accordance with the Texas Education Code, Educational Testing Service and Pearson certify that the attached prices per private school student do not exceed the prices for administering the same assessment to a student enrolled in a Texas public school district.

In the 2014-2015 school year there were 4,093 students in 29 private schools that took the State of Texas Assessments of Academic Readiness.

Sincerely,

**George Powell**
