RE: 2018 Credit by Examination Audit

Please find attached a list of the most recent Credit by Examination (CBE) audits for April 2018. There are 20 CBEs included in this audit, which represent about 20% of our active examinations. Our selections focused on recently rewritten examinations that have not been audited in the past four years.

Nelda Taylor, Robin Long, Jessica Quap, and Victoria Longoria, all Texas-certified instructors and highly qualified in their area of audit, performed this year's audits. None were previously affiliated with The University of Texas at Austin High School.

All changes suggested by auditors to better meet the Texas Essential Knowledge and Skills were considered and implemented in these Credit by Exams. Ongoing dialogue occurred regularly between curriculum developers and auditors to ensure complete coverage while maintaining the integrity and rigor of the exams.

If you have any questions regarding these CBEs or our audit process, please do not hesitate to contact me at (512) 471-3693 or by email at heather.vaughn@austin.utexas.edu.
