### **Statutory Citations Relating to Discussion of Proposed Updates to the Texas State Plan for the Education of Gifted/Talented Students**

#### **Texas Education Code, (TEC), §7.102, State Board of Education Powers and Duties (excerpt):**

- (c)(15) The board shall adopt criteria for identifying gifted and talented students and shall develop and update a state plan for the education of gifted and talented students as required under Subchapter D, Chapter 29.

#### **TEC, §29.123, State Plan; Assistance.**

The State Board of Education shall develop and periodically update a state plan for the education of gifted and talented students to guide school districts in establishing and improving programs for identified students. The regional education service centers may assist districts in implementing the state plan. In addition to obtaining assistance from a regional education service center, a district may obtain other assistance in implementing the plan. The plan shall be used for accountability purposes to measure the performance of districts in providing services to students identified as gifted and talented.
