#### **Texas Education Code, §7.102(c)(1), State Board of Education Powers and Duties:**

(c)(1) The board shall develop and update a long-range plan for public education.

#### **Texas Education Code, §32.001(a)(1)-(4), Development of Long-Range Plan**

(a) The State Board of Education shall develop a long-range plan for:

- (1) acquiring and using technology in the public school system;
- (2) fostering professional development related to the use of technology for educators and others associated with child development;
- (3) fostering computer literacy among public school students so that by the year 2000 each high school graduate in this state has computer-related skills that meet standards adopted by the board; and
- (4) identifying and, through regional education service centers, distributing information on emerging technology for use in the public schools.
