<b>September 2024</b>	<b>November 2024</b>	<b>December 2024</b>
SBOE reviews the reviewer reports and all public feedback. Public testimony is taken on any of the materials under consideration.	SBOE will vote and decide to place instructional materials on the approved list, take no action, or place materials on the rejected list.	Updated EMAT site will be available for districts to compare approved and reviewed instructional materials.
<b>March 2025</b>	<b>July 2025</b>	<b>August 2025</b>
Materials will be available in EMAT site for districts to requisition SBOE-approved instructional materials, if school systems are choosing new materials to adopt locally.	New instructional materials are shipped, and school systems conduct professional development to orient teachers to the new materials.	School systems begin implementation of new materials in classrooms.
